### LEGACY LM712SA

Legacy is a premium motorcycle trailer from Pace American, the number one brand in enclosed trailers.

Designed and manufactured by Pace specifically for hauling motorcycles, standard features include reduced height for easy towing, an independent torsion suspension with trailer rated radial tires, rear ramp and side doors for easy access, and more.

No matter what you ride; from cruiser to sportbike or custom chopper, Legacy delivers superior fit-and-finish with great standard features. A wide array of options, such as stainless steel side panels, can make your Legacy as unique as your bike is.

All this is backed by industry leading customer service, a Five Year Limited Warranty, and a nationwide dealer network offering sales, service, and parts to keep you cruising. Towing a Legacy trailer ensures that your bikes will be as clean and safe on the road as when they left home. Legacy motorcycle trailers by Pace American; be as proud of your trailer as you are of your bike.
