OUTBACK OB58SA

There are many low-priced cargo trailers on the market, but only OutBack is built by Pace American, the nation's leading manufacturer of enclosed trailers.

□Sized for easy towing, OutBack models by Pace are designed for the entry-level, light-duty cargo hauler looking for a quality trailer at an affordable price.

□Pace builds OutBack trailers to last with standard features like an EZ-ride suspension, all-steel frame construction, and thick plywood floors.

□OutBack is backed by Pace's reputation built on over 20 years of experience and a written 3-year limited warranty. Pace American offers superior customer service thanks to a nationwide dealer network of over 400 dealers offering sales, service and parts so you'll never be stranded.

□When it comes to buying an economical cargo trailer, OutBack will put you out front.
