RALLYE RT8520TA3H

Rallye Series auto trailers are ideal for weekend racers or car hobbyists on a budget. They look great while still being easy to tow and load. Rallye is more functional and will last longer than any other brand of entry-level auto hauler.

Rallye's list of great standard features, from interior plywood walls to zinc plated tongue jacks, are designed to please even the most discriminating of customers.

Pace American is the number one name in steel-framed enclosed auto and cargo trailers in the country. With our racing heritage behind it, your Rallye Series trailer will be the envy of the track.

If hassle-free towing with exceptional value is your thing, you can't afford to pass up a Pace American Rallye trailer. It will look better, last longer, and be worth more at trade-in time than any other trailer brand in its class.
