SUMMIT SL824TA3

Summit is a professional-grade landscape trailer, built tough to withstand the rigors of everyday commercial use. Standard features like dust-proof sidewall construction, flow-through sidewall vents, Wolmanized plywood floor, strong fold-down rear ramp door, triple tube tongue and many other heavy-duty components make Summit the enclosed trailer of choice for the professional landscaper, lawn care pro, or contractor.

Pace offers hundreds of options to customize your trailer, such as corner jacks, a fuel jug rack, or custom shelves to meet your unique needs. All options are expertly designed and installed by Pace. Every 2008 Summit trailer is backed by a Five Year Limited Warranty and industry leading customer service based on Pace's 20 plus years of trailer building experience. When your business demands strength, durability, and reliability, climb to the Summit.
